Access to CBHA water testing results.

All water tests are public knowledge and are available on the Department of Health website.

Here are the instructions for accessing these reports.

1. DOH.WA.GOV
2. Search "water"
3. Scroll down to "Drinking Water Systems"
4. Water System Data
5. Sentry Internet Database
6. Start
7. Accept
8. Water System ID 11159, if it needs 6 numbers use 111595
9. Click on the word SAMPLE, this should pull up the results.
