

Wildlife Management

What to do if a deer has passed away on your property:

From time to time, we find deceased deer or other wildlife on our property. CBHA does not offer deer or other wildlife removal services. Several local service providers can help you remove deceased animals from your property should it occur. We have added a list of these service providers to our website and are listing a few here:

Wolf Haven, if deer is newly deceased within 48 hours 360-264-4695
