

Road work and parking lot repair to start **August 21, 2023**

Please be aware that the east side of the clubhouse parking lot and parts of Island Dr by the Wastewater Treatment Plant (WWTP) will be repaved this year. Starting on, or about, Monday, August 21, 2023, the east side of the parking lot (by the fence) will be cordoned off. You may enter the parking lot and park on the other side while this work is being done.

Parts of Island Dr by the WWTP will also be repaved. Please avoid this area if possible.

Thank you for your consideration as we provide maintenance and upkeep in our community.
