

## **Join PSE to prepare for wildfire season.**

Puget Sound Energy works year-round to prepare for and help prevent wildfires in our service area. As we approach this year's wildfire season, they want you to be prepared, too!

Join PSE at their wildfire open house and learn about PSE's wildfire program and how you can prepare if there's a Public Safety Power Shutoff (PSPS).

Tuesday May 21, 4:30 – 6:30 p.m.

Griffin Fire Department

3707 Steamboat Loop NW, Olympia WA 98502

Swing by anytime between 4:30 and 6:30 pm- there is no formal presentation. They hope to see you there.

Please let them know if you're facing barriers to participate and need accommodations to participate fully by May 16.

Learn more or visit their self-paced, online open house: [pse.com/wildfire](https://pse.com/wildfire)
