

I'm looking for H E L P from neighborhood cameras.

My son and I were kayaking over to Hope Island on Saturday 8/3, when we were hit by a speeding boat. We were very lucky and were only shaken. Attached is a picture of our kayak and a description of the boat that hit us gathered from multiple witnesses. Please contact us or Thurston County Sherriff's office if you have any information. The Sheriff has a case open. If anyone has a video they can share, the timeframe was between 1:45 and 2:15 on Saturday 8/3.
