THE HOA CANNOT SUPPORT OR ENDORSE ANY ACTIVITIES WHICH EXCEED THE CAUTIONARY GROUP
SIZE

Tree Pruning in the Park

On November 10, the beautiful old elm trees in the park will be getting some much needed maintenance. An arborist has been contracted to do limb weight reduction pruning. These trees will naturally drop huge limbs as they age, but we don't want limbs falling on the kayaks or on people enjoying the shade these trees provide. By carefully reducing the weight at the ends of the limbs, we hope to avoid such mishaps. The arborist will use a lift to get up to the branches and carefully lower portions to the ground. This process may be interesting for kids to watch if they are getting restless with their Zoom instruction. Some kayaks will need to be moved to protect them (the owners have been notified), and power lines around the trees will be taken down for a couple of days. With regular maintenance, we hope these trees will be healthy for decades to come.

NEW PROCEDURES FOR CBHA MEMBERS CONDUCTING BUSINESS AT THE OFFICE

With inclement weather upon us we will be following updated procedures for the office staff to take care of you.

As always, phone service (360-866-0717) will still be available for credit card payments, and the Dropbox is available for a "no contact" method of payment, which is the safest method for you and the staff. But when that doesn't work, we have made some changes for the winter.

1. Call ahead for an appointment, as only 1 member will be allowed in at a time.
2. If you forget to call ahead, just call from your vehicle or knock on the window or door and a staff member will come to unlock the door for you, if no other member is already inside.
3. There will be a table set in the lobby area to conduct business. Please do not try to go further from that point.
4. We want to make this as easy & safe as possible for everyone while keeping people out of the inclement weather.
5. Masks will always be required.

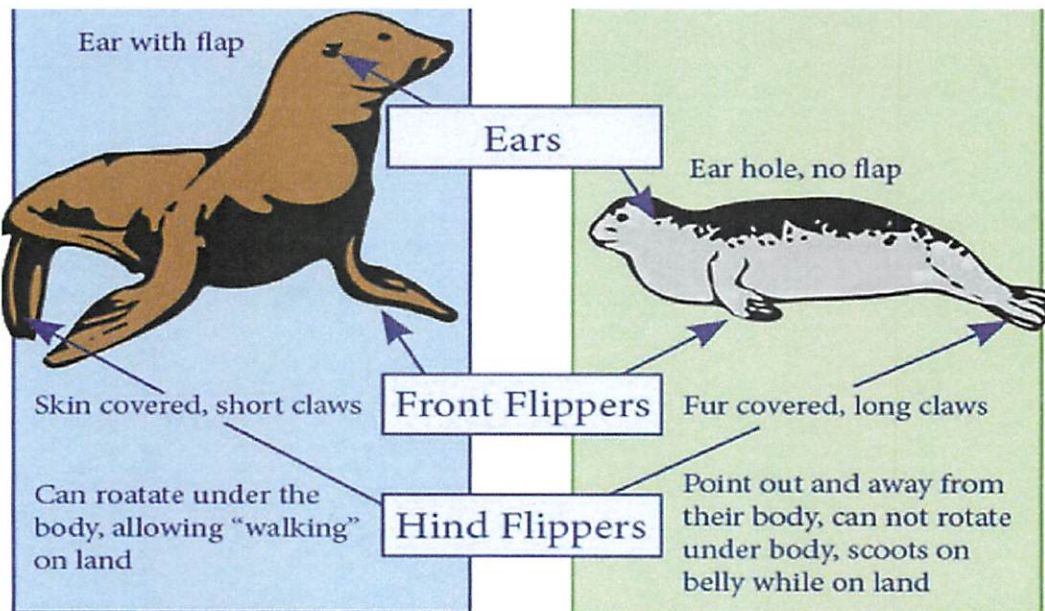

WE HAVE A LONE SEA LION HANGING AROUND

We all remember the noise and disruption of past years when we were invaded by Sea Lion. We've had a couple years without them, and that's definitely been a blessing. This year, we have a lone sea lion, one-eyed, sad-looking and quiet, but please remember that sea lions are big, capable of moving quickly, and can be dangerous, so stay at least 10 ft back from them. It is harmful and illegal to feed them because it changes their natural behaviors and makes them less wary of people and vessels.

Sea lions and seal are protected by law, but noise harassment to move them off the dock is allowed. Just remember to keep your distance while you yell, wave your arms, ring a bell, and/or bang a pan.

Source: Sea World. Marine Mammals of California by Robert T. Orr and Roger C. Helm

California sea lion
Length: Up to 8 feet
Weight: Up to 880 pounds

Pacific harbor seal
Length: Up to 5 feet 7 inches
Weight: Up to 375 pounds

ANNUAL FOOD DRIVE - IT'S NOT TOO LATE TO DONATE

Our "Annual Fall Food Drive" will end November 13 if you can contribute to help those in need. Bring your donations to the office during open hours of operation so that Marcia can accept them and hold them at the clubhouse until the end of the drive. The items

collected will be given to St. Christopher Church on Steamboat Island Rd. All donations go to those in need here on Steamboat Peninsula. Remember that not only non-perishable food items are needed but other items needed such as toiletries, pet food, diapers, laundry detergent, etc. The Events Group

ZOOM INSTRUCTIONS - FOR THE ANNUAL MEETING

Hello CBHA,

This is a courtesy announcement for those that may be wondering how to connect to the Annual Meeting in the time of Covid.

The Zoom Annual meeting is scheduled for Saturday, November 7, 2020 from 10 am-12:01pm. The login instructions are listed below.

Join Zoom Meeting
